

AMGEN®

Amgen Scholars Program 2022

DISCOVER
YOUR
POTENTIAL

An Undergraduate
Summer Research
Program in Science
and Biotechnology

JUNE 7 - AUGUST 6, 2022

Every year, the Amgen Scholars Asia Program provides selected **undergraduate students** from across the world with the opportunity to engage in a hands-on **research experience**.

PURPOSE | As Amgen Scholars, students will have the opportunity to:

- Gain hands-on lab experience and contribute to the advancement of science;
- Interact with receiving guidance from faculty mentors, including some of Asia's top academic scientists; and
- Participate in engaging scientific seminars, workshops networking events.

FINANCIAL SUPPORT | Scholarship, Travel Cost and Accommodation

ELIGIBILITY | Amgen Scholars Asia Program applicants must be undergraduate students who are:

- 1) Enrolled in colleges or universities worldwide that award a bachelor's degree (or its equivalent); and
- 2) At minimum, have completed their first year of undergraduate study at the time the summer program begins, and
- 3) Are not graduating before the summer program begins, and after the summer program ends will resume undergraduate studies for at least 1 semester or quarter

Asia Program applicants must also have:

- 4) A strong record of academic performance; and,
- 5) A good working knowledge of English, demonstrated by a minimum TOEFL (iBT) score of 72, IELTS overall band score of 5.5, Cambridge English FCE, TOEIC score of 1095, TOEIC L&R score of 785, or TOEIC S&W score of 310, if not a native English speaker or English is not your first language, and
- 6) An interest in pursuing a Ph.D.

APPLICATION DEADLINE | **February 1, 2022**
